Sir,

In G.O.No.4530 L & M., dated the 12th October 1934, Government have ordered that "no officer or servant of a municipal council in superior service whether ministerial or non ministerial shall be retained in its service after he has attained the age of 55 years" Under definitions of Inferior service in Fundamental Rules, service in posts the pay of which does not exceed Rs.20/- has been termed 'inferic and all other as 'superior'. At present the council has got

under its

its employ 14 sanitary maistries on a scale of pay of Rs.15-1-30. These are not allowed to contribute to the Provident Fund as they are said to belong purely to the class of temporary servants under rule 4(2) of the rules issued in G.O.No.4650 L & M., dated the 2nd December 1931 for the working of the Provident Fund under municipal council. They are also not treated as 'superior' for purposes of leave. One of the maistries under the council attained the age of 55 on 28th January 1936 and as the scale of pay of the maistries is Rs.15-1-30 and as the definition under Fundamental Rule in respect of superior servants is not quite clear in this matter, I request to be informed whether the rules for the retirement of servants in superior service are applicable to these maistries or whether they could be granted the privilege of inferior servants as specified in Government Memorandum No.29401-1A-1 L & M., dated the 19th July 1935. I request an early ruling in the matter as pending orders in of Government on the subject I have allowed the maistry to continue in service.

C. Ramachandra Iyer.
